Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Please enter the following preliminary amendment into the above-referenced patent application prior to calculation of filing fees. Claims 1-41 are pending in the application. Examination and allowance of this patent application are respectfully requested.

This preliminary amendment is provided to remove multiple dependencies from particular claims. The amendments made to the claims were not made for purposes relating to patentability, and were not made in response to prior art or any objections or rejections to the claims. Thus, it is respectfully submitted that the Applicant has not intended to narrow, nor has the Applicant narrowed the scope of the claims as originally filed by way of this preliminary amendment.
